#### INDEPENDENT AUDITOR'S REPORT

To the Chilean Avocado Importers Association Washington, DC

#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the accompanying financial statements of Chilean Avocado Importers Association (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of June 30, 2023 and 2022, and the related statements of revenue and expenses – modified cash basis and cash flows – modified cash basis for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Chilean Avocado Importers Association as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended, in accordance with the basis of accounting as described in Note 2.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chilean Avocado Importers Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chilean Avocado Importers Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued. # Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chilean Avocado Importers Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chilean Avocado Importers Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of revenue and expenditures – actual compared to budget, schedules of expenditures – actual compared to budget, and schedules of cash receipts and disbursements, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, except for that portion marked "unaudited," is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 2, 2023, on our consideration of Chilean Avocado Importers Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Chilean Avocado Importers Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chilean Avocado Importers Association's internal control over financial control over financial reporting and compliance.

#### Other Reporting Required by the United States Department of Agriculture

In connection with our audits of the years ended June 30, 2023 and 2022, nothing came to our attention, insofar as it relates to financial and accounting matters, that causes us to believe that the Chilean Avocado Importers Association:

- Failed to comply with laws and regulations and U.S. Department of Agriculture Agricultural Marketing Service ("USDA AMS") Guidelines for AMS Oversight of Commodity Research and Promotion Programs applicable to the Association;
- Failed to comply with Section 1219.42(b) of the Hass Avocado Promotion, Research and Information Order, relating to the use of assessment funds for the purpose of influencing legislation or governmental action or policy;
- Expended assessment funds for purposes other than those authorized by the Hass Avocado Promotion, Research and Information Act of 2000 and the Hass Avocado Promotion, Research and Information Order;
- Expended or obligated assessment funds on any projects prior to the fiscal year in which those funds were authorized to be expended by the Association's approved Budget and Marketing Plan;
- Did not adhere to the original or amended Budget and Marketing Plan for the years ended June 30, 2023 and 2022;
- Did not obtain a written contract or agreement with any person or entity providing goods or services to the Association;
- Failed to comply with USDA AMS Directive 2210.2, relating to the limitations on the types of investments which may be purchased by the Association and the insurance or collateral that must be obtained for all of the Association's deposits and investments.
- Failed to comply with disclosure requirements for lease commitments (when applicable);
- Failed to comply with standards established relating to contracts and USDA approval letters (if necessary); or
- Failed to comply with the Association's by-laws or any other policy of the Association, specifically as they relate to all financial matters, including time and attendance, and travel.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

Propp Unvistinson Caniglia LLP

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

## NOTE 1: NATURE OF ORGANIZATION

The Chilean Avocado Importers Association (the "Association") is a nonprofit corporation, incorporated in the District of Columbia on November 26, 2002. A substantial portion of the Association's revenues consists of assessment funds transferred to the Association through the Hass Avocado Board. The Hass Avocado Board was established by the Hass Avocado Promotion, Research and Information Act of 2000 (the "Act") to carry on programs of advertising, promotion, and research for Hass avocados. The program is administered by the Agricultural Marketing Service Division ("AMS") of the U.S. Department of Agriculture ("USDA"). Under the Act, producers pay an assessment on fresh Hass avocados produced in or imported into the Unites States. The Association qualifies under the Act as an Importer Association and receives 85% of the assessments collected from importers of Hass avocados from Chile.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements have been prepared on the modified cash basis of accounting. This basis of accounting differs from generally accepted accounting principles primarily because the Association recognizes revenues when received rather than when earned, and expenses are recognized when cash is paid rather than when the obligation is incurred. In addition, certain long-term assets are capitalized and corresponding amortization and depreciation expense is recognized when applicable.

#### Basis of Presentation

The Association presents its financial statements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 958, Subtopic 210 (FASB ASC 958-210), *Presentation of Financial Statements of Not-for-Profit Entities* as amended by Accounting Standards Update ("ASU") 2016-14. Under FASB ASC 958-210, the Association is required to report information regarding its financial position and activities according to the following two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to stipulations;

*Net assets with donor restrictions* - Net assets that are subject to stipulations that will be met by actions or the passage of time.

Revenues and gains and losses from operations are reported as changes in net assets without donor restrictions. Expenses are reported as changes in net assets without donor restrictions. Expirations of donor restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

Donor-restricted contributions are reported as revenues which increase net assets with donor restrictions. However, donor-restricted contributions whose restrictions are met in the same reporting period have been reported as net assets without donor restrictions. As of June 30, 2023 and 2022, the Association had no net assets with donor restrictions.

#### Cash

The Association maintains its cash in bank deposit accounts. In order to comply with the AMS' investment policy, the Association is responsible for investing its funds only in interest-bearing accounts that are risk-free and short-term. During the years ended June 30, 2023 and 2022, deposits were held in an insured cash sweep account, which is periodically adjusted to maximize interest return and provides the Association with federal insurance coverage on the total balance and daily liquidity. As of June 30, 2023 and 2022, there were no uninsured amounts.

#### NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Investments**

The Association is required to follow the AMS investment policy. Accordingly, the Association is authorized to invest in securities consisting of obligations issued or fully insured or guaranteed by the U.S. or any U.S. government agency, including obligations of government-sponsored corporations, and must mature within one year or less from the date of purchase. No investments were held by the Association at June 30, 2023 and 2022, and all cash deposits were maintained in the sweep account in accordance with the AMS' investment policy as discussed above.

#### **Equipment**

Equipment is stated at cost. The Association provides for depreciation over the estimated useful lives of equipment using the straight-line method. Maintenance and repairs are charged to expense as incurred. Renewals and betterments that are \$300 or greater, which extend the useful lives of assets, are capitalized.

#### Trademarks

Costs to acquire trademarks are capitalized and charged to expense upon abandonment. The Association periodically reviews trademarks for impairment as events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. As the useful lives of the Association's trademarks are uncertain, no amortization expense has been recorded as of June 30, 2023 and 2022.

#### Import Assessments

Importers of Hass avocados from Chile are assessed based upon pounds of avocados imported into the United States. Assessments are collected by U.S. Customs and remitted to the Hass Avocado Board, which transfers 85% of collected assessments to the Association. Import assessment revenues are recognized when received.

#### Program and Functional Expenses

The Association incurs advertising, promotion, and research expenses in its mission to maintain and increase the awareness and consumption of Hass avocados imported from Chile within the United States. Program costs are expensed when paid. All functional expenses incurred by the Association are directly allocated.

#### Lobbying Expenses

The Association is prohibited from using assessment funds in activities influencing legislation, governmental action or policy. Accordingly, the Association has incurred no lobbying expenses.

#### Leases

Effective July 1, 2022, the Association adopted the provisions of FASB ASC 842 as revised by (ASU) 2016-02, *Leases*. The impact of adopting the amended guidance primarily relates to the recognition of lease assets and lease liabilities on the statement of assets, liabilities, and net assets – modified cash basis for all leases previously classified as operating leases. Leases with an initial term of 12 months or less are not recorded on statement of assets, liabilities, and net assets – modified cash basis. The accounting treatment for financing leases, which were formerly referred to as capital leases, remains substantially unchanged. For the years ended June 30, 2023 and 2022, the Association was not obligated under any lease arrangements.

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Income Taxes

The Association is exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code. Accordingly, these financial statements do not include any provision for federal income taxes. After they are filed, the Association's income tax returns generally remain subject to examination by federal taxing authorities for three years.

#### <u>Estimates</u>

The presentation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### **Reclassifications**

Certain amounts in the 2022 financial statements have been reclassified, with no effect to change in net assets, to conform to the 2023 financial statement presentation.

#### Subsequent Events

Events and transactions have been evaluated for potential recognition or disclosure through November 2, 2023, the date that the financial statements were available to be issued.

#### NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Association's working capital and cash flows are consistent throughout the year as assessment fees are collected at various dates in the year. Monthly cash outflows vary each year based on the specific requirements of promotional and marketing campaigns programed in the year.

The Association's financial assets available within one year of the balance sheet date for general expenditure are as follows:

	 2023	2022		
Cash	\$ 996,116	\$	1,198,568	
Less those unavailable for general expenditures due to designations for advertising, promotion, and research	(967,194)		(1,131,138)	
Financial assets available to meet cash need for general expenditures within one year	\$ 28,922	\$	67,430

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Chilean Avocado Importers Association Washington, DC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Chilean Avocado Importers Association (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets – modified cash basis as of June 30, 2023, and the related statements of revenue and expenses – modified cash basis and cash flows – modified cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 2, 2023.

# **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Chilean Avocado Importers Association's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Chilean Avocado Importers Association's internal control. Accordingly, we do not express an opinion on the effectiveness of Chilean Avocado Importers Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

# **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Chilean Avocado Importers Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. Propp Christensen Caniglia

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Chilean Avocado Importers Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chilean Avocado Importers Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
